##### Additional Information:

Greystones Educate Together National School is a welcoming and inclusive school with a warm, friendly school community. We have 18 mainstream classes and 2 classes designated for pupils with Autism. We are seeking to fill 1 specified purpose teaching post, commencing as soon as possible.

The nature of this post is as a 'Cluster Teacher', which is an allocation made by the Department of Education to two neighbouring schools, who 'share' the teacher. In this cluster arrangement, 0.7 of the teacher's week will be full time in Greystones Educate Together National School, on our SET team, and 0.3 of the week will be at St.Kevin's NS, Greystones, also on their SET team. This position is ideal for a teacher who enjoys variety in their work and working within dynamic and motivated school teams.

Greystones Educate Together will be the 'base school' for this position.

Successful applicants will have the opportunity to work within two friendly, highly professional, child-centered and motivated teams, for the 24/25 school year.

We look forward to receiving your application and thank you for your interest in our school.
